For our fellow stewards of our Colorado streams

Cutthroat Chapter of Trout Unlimited

To conserve, protect and restore Colorado's coldwater fisheries and their watersheds

January meeting at Cresthill Middle School

IMPORTANT REMINDER...WE HAVE CHANGED OUR MEETING LOCATION...STARTING WITH TUESDAY'S (JAN 16) MEETING

The South Metro Denver Realtor Assoc Building has been sold, and the new owners are not interested in leasing it out going forward...and cancelled our lease about a month ago. We looked at many different locations in the Highlands Ranch/Littleton area and came up with Cresthill Middle School as being the best option from all standpoints. Cresthill Middle School is located one block north of Highlands Ranch High School, right off University, in Highlands Ranch. The address is [9195 Cresthill Lane, Highlands Ranch, CO 80130](#). The location has ample parking and a great grass areas for casting demos and other activities. We will be meeting in the library, on the south end of the parking lot. We will utilize a large, open plan conference room, and some excellent audio visual equipment. Although not a key goal of our new meeting location selection, we are excited that this venue will cost about half of what we paid at the old location.

Directions from C-470 and University Blvd – Head south east on University Blvd. Travel through the intersection of University/Highlands Ranch Pkwy/Colorado Blvd for a total of 2.4 miles to Cresthill Lane. Turn left on Cresthill Lane. Drive past Highlands Ranch High School and you will reach Cresthill Middle School in 0.4 miles, on the left side of Cresthill Lane. Click on the attached Google Maps link for more details <https://goo.gl/maps/FVbNmtxo76J2>.

Directions for I-25 and Lincoln Ave – Head west on Lincoln Ave for 2.4 miles. Lincoln Ave turns into S University Blvd at Quebec Street. Travel 1.0 miles and make right on Cresthill Lane. Drive past Highlands Ranch High School and you will reach Cresthill

Middle School in 0.4 miles, on the left side of Cresthill Lane. Click on the attached Google Maps link for more details

CUTTHROAT CHAPTER TROUT UNLIMITED – JANUARY CHAPTER MEETING

TUESDAY, JANUARY 16, 7PM (DOORS OPEN AT 6:30)

CRESTHILL MIDDLE SCHOOL (NEW LOCATION!)

3195 CRESTHILL LANE, HIGHLANDS RANCH, CO 80130

Program: Blake Jackson, Co-Owner Crazy Rainbow Fly Fishing and the Ugly Bug Fly Shop in Casper, WY

“Fly Fishing the North Platte Watershed”

Join us for always entertaining and informative evening with Blake Jackson, the co-owner and VP of Casper's Ugly Bug Fly Shop and Crazy Rainbow Fly Fishing and Wing Shooting...the 2014 Orvis Endorsed outfitter of the year. Blake is a native of Wyoming and has guided all over Montana and Wyoming, but loves his home waters in the North Platte drainage. His presentation will focus on the amazing big-fish fishery that exists in this watershed, including the Miracle Mile, Grey Reef, Fremont Canyon, the Bighorn (Thermopolis) and more. Crazy Rainbow has some unique advantages, including owning 8 miles of private access on the North Platte below Grey Reef Dam, and a fantastic Lodge and River Cabins right on the river. Stop by that night and find out more about this amazing fishery and the guided trips Crazy Rainbow offers. **Blake will also tie some of his famous North Platte Bugs, including the infamous Macgruber, starting at 6:30PM.**

CCTU BYLAWS CHANGE

The CCTU Board of Directors is making a small change to the CCTU Bylaws in that “Board members may elect to become “Emeritus Directors”. This would be a Chapter leadership position for retired leaders who still serve an advisory function. They would not be given a vote, and would not be counted towards a quorum. Meeting attendance would not be required.

We have had a productive year for both fishing and conservation. Your dollars and your efforts have certainly had a positive impact on the health of our mountain streams and our angling community. As always, we thank you for your commitment, your donations and your time.
